The dance workshops are the most important part of this event in terms of the amount of participants. These classes allow dancers to get the chance to meet dance teachers of exceptional quality, instructors that were selected according to their field of expertise.

KAMATA KIDS

Kids from 8 to 12 years old can take 4 hours of dance classes with highly qualified instructors. These dance styles will be taught : Hip Hop, Afro Fusion, Ragga and Hype. This concept gives kids the opportunity to challenge themselves. Instructors will take into account the young age of the dancers when learning a choreography.
